

Wrexham Brymbo Squash Club

Monthly Internal Leagues – Rules

Rules for Internal Club League commencing August 2022 are as follows:-

Leagues will consist of teams of 5 with two players relegated from League 1 each month and two players promoted and two relegated from all other divisions.

If players withdraw through injury or any other reason without playing a game they will be relegated.

New players entering the leagues will enter no higher than League 3.

Points will be awarded monthly for the top 12 players each month to the top 12 players who play at least one game. Top of League 1 will get 12 points, runner up 11 points, third place 10 points, etc. down to the 12th place player who would normally be the runner up in League 3, unless there were withdrawals.

Points are cumulative over a six month season ending in February, with the top 8 available points scorers playing off over the weekend of the 3rd, 4th, 5th March 2023.

There will be a Trophy for the League winner i.e. the person who accumulates the most points and a trophy for the League Champion i.e. the person who wins the end of season play off.

For each round of the play off the highest ranked player will play the player of their choice, the second ranked player will then choose their opponent, etc. until the four ties in the Quarter Final and the two semi-finals are decided.

If any player(s) fabricate a result i.e. give themselves points for a match that did not take place, then they will receive no ranking points for that month.

Mark Davies will update the leagues each month and will deal with any unforeseen circumstances not covered in these rules.

Mark's decision will be final.
